EDUCATION

Barcelona School of Economics — Barcelona, Spain
Master's in Economics and Finance - Economics Track — Sep 2026 - Jul 2027
Expected Coursework: Macroeconomics 1 and 2, Microeconomics 1, Econometrics 1 and 2, Stochastic Processes for Data Science and AI, Machine Learning for Finance, Topics in Macrofinance, Nonparametric Methods and Distributional Analysis

Madras School of Economics — Chennai, India
B.A. (Honours) Economics — Aug 2023 - May 2026
CGPA: 8.11/10 (First Class with Distinction)
Coursework: Real Analysis, Stochastic Processes, Mathematical Statistics, Linear Algebra, Introductory Econometrics, Applied Econometrics, Game Theory, Differential Equations, Intermediate Macroeconomics and Microeconomics

PROFESSIONAL EXPERIENCE

Madras School of Economics — Chennai, India

- *Teaching Assistant - Game Theory* — Jan 2026 - May 2026
  References: P. K. Dutta, *Strategies and Games: Theory and Practice*; M. J. Osborne, *An Introduction to Game Theory*
  - Led tutorials for 30+ undergraduates on strategic- and extensive-form games, Nash and subgame-perfect equilibrium, mixed strategies, backward induction, and repeated games
  - Co-designed examinations, weekly assignments, and practice tests with the course instructor; graded coursework and ran doubt-clearing sessions on equilibrium analysis
- *Teaching Assistant - Introductory Microeconomics* — Jul 2025 - Dec 2025
  References: H. R. Varian, *Intermediate Microeconomics: A Modern Approach*
  - Taught tutorials to a class of 60 undergraduates on consumer choice, revealed preference, the Slutsky decomposition, intertemporal choice and uncertainty, and producer theory
  - Co-designed examinations, weekly assignments, and practice tests with the course instructor; graded coursework and ran doubt-clearing sessions
- *Research Assistant - Dr. Aritri Chakravarty* — May 2025 - Aug 2025
  - Developed proficiency in Stata for statistical and econometric analysis
  - Gained hands-on experience navigating, cleaning, and handling large-scale NSSO and IHDS household survey data
  - Learned to critically examine academic literature to identify research gaps and evaluate empirical methods
  - Co-authored "Understanding the Shift from Agriculture to Non-Farm Employment in Rural India - A Socio-Economic Approach" with Riya Fathima and Dr. Aritri Chakravarty, and presented it at the IIT Madras DOSS Conference

PROJECTS

Global Shocks and Indian Equity Returns: An Empirical Investigation of Information Transmission, Contagion, and Extreme Events (Co-authored with Nikhil Rajan, LSE)

- Examined jump spillovers between S&P 500 and Nifty 50 returns, finding a 0.284 transmission coefficient and 3.42× higher volatility during crisis periods

Hamilton's Regime Switching Models (Co-authored with Sriram Rajagopalan, LSE)

- Presented three papers for Stochastic Processes coursework: Neftçi (1984, *Journal of Political Economy*), Goldfeld & Quandt (1973, *Journal of Econometrics*), and Hamilton (1989, *Econometrica*)
- Replicated Hamilton's (1989) Markov regime-switching filter and smoother

Stochastic Welfare Analysis: Impact of a 40% Tax on Cigarettes under the New GST Regime (Co-authored with Nikhil Rajan, LSE and Sriram Rajagopalan, LSE)

- Quantified net welfare gains using a three-state Markov chain and log-linear Cobb-Douglas utility with externalities

Testing the New Economics of Labor Migration: Evidence from IHDS Panel Data (2005 and 2011)

- Tested the Stark & Bloom (1985, *American Economic Review*) hypothesis in the Indian context using fixed-effects panel regressions on IHDS panel data for 2005 and 2011

LANGUAGES & TECHNICAL SKILLS

Technical: Python, R, Stata, MATLAB, LaTeX
Language: English (Fluent), Spanish (Basic), Tamil (Native)
Datasets: NSSO Household Survey, IHDS Panel Surveys

ADDITIONAL INFORMATION

- FIDE-rated chess player: Standard 1716, Rapid 1656, Blitz 1701 with 60+ international tournament appearances
- Class Representative (2024-2025) and Anti-Drug Committee Member (2024-2026), Madras School of Economics
- High School Sports Meet: Individual champion and torch holder with 8 medals (4 Gold, 2 Silver, 2 Bronze)
